

We Are Looking For

Partnership Intern

The Partnership Intern will be responsible for the assigned daily tasks while working under the supervision of the Knowledge & Partnership Manager
Support the team on some MMA events: Member meetup, MMA Key events

Who You Are:

- Experience in partnership/external relations department in university clubs
- Excellent communicator, with ability to synthesize and share key learnings
- Team player
- Fluent in English, both spoken and written
- Can bring your own laptop
- Big plus if you used to work as a community leader/VP/President/ at a community/organization during the university

Work Model:

The Partnership Intern is required to work at the office 1 day/week and may work remotely the remainder of the time

Internship Benefit

- Gain experience working across the Partnership team and support the key functions of this team in doing so.
- Give yourself an edge in the job market
- Develop and refine skills
- MMA Vietnam will provide Internship Certificate if needed
