

GLOBAL IMPACT STARTUP CHALLENGE

**Information Pack
(International Students)**

10 May to 16 May 2026

ABOUT THE SINGAPORE UNIVERSITY OF SOCIAL SCIENCES

The Singapore University of Social Sciences (SU:SS) is a leading institution dedicated to lifelong learning, applied education, and social impact. With a strong focus on wellbeing, sustainability, and community development, SU:SS nurtures future-ready leaders who drive meaningful change in society.

With its applied learning approach and strong global partnerships, SU:SS empowers students and professionals to lead initiatives that enhance community resilience, promote sustainable living, and improve quality of life.

ABOUT GISC

The **Global Impact Startup Challenge (GISC)** is a week-long programme that brings together students from all over the world in Singapore for an immersive entrepreneurship bootcamp.

Participants will form teams, develop and validate business ideas, design prototypes, and pitch to industry judges. You will collaborate with international peers, engage with Singapore's thriving startup ecosystem, and gain insights from industry experts.

Looking to build a startup?
Expand your network?
Explore regional opportunities?

GISC is the launchpad.

The theme is

Gerontology--Ageing Solutions and Opportunities

WHY GO GLOBAL WITH US?

Enterprising students can expect to:

Build a Global Network 🌐

Connect, collaborate, and innovate with entrepreneurial students from across the region, fostering a diverse community of changemakers eager to tackle global challenges.

Gain Practical Insights into Startup Ecosystems 🚀

Learn how businesses scale and thrive in different markets through hands-on exposure to local startups, industry leaders, and innovation hubs, gaining firsthand knowledge of emerging trends and opportunities.

Develop Entrepreneurial & Pitching Skills with Industry Mentors 🎤

Participate in curated training sessions led by seasoned mentors, refining your ability to validate business ideas, design prototypes, and deliver compelling pitches to investors and industry experts.

Earn a Certificate of Participation 📜

Upon successful completion of the programme, receive a Certificate of Participation, recognizing your dedication to building impactful and scalable solutions.

Pocket Nephew, winner of GISC '25, dreamed up a teddy bear that's more than a toy—it's a gentle companion designed to ease seniors' isolation and link them to care services through human-centered technology.

GISC PROGRAMME

PRE-PROGRAMME

Date	Item	Details

CURRICULUM DESCRIPTION

	Details
<p><u>Lean Startup Methodology</u></p> <p>by <u>Dr Kelvin Tan</u></p>	<p>A series of modules as part of the Global Impact Startup Challenge to introduce and guide participants on key aspects of venture creation and market expansion.</p> <p>Learning Objectives:</p> <ul style="list-style-type: none"> ✓ Apply The Lean Startup Model to develop and refine business ideas ✓ Master Business Pitching to effectively communicate ideas to stakeholder

CURRICULUM (CONT):

	Details
Session 1: Introduction to Javeline Board	The Javelin Experiment Board is a tool to validate ideas through experimentation. It is easy to understand, gets you started quickly and helps you focus, fail fast to succeed faster
Session 2: Customer & Problem Hypothesis	Define your customer and their core problem to build a foundation for your startup's success
Session 3: Designing Experiments	Learn how to test ideas quickly and effectively with hands-on experimentation techniques
Get-Out-Of- Building	Literally get out of the building for customer interviews and community walks to formulate impact solutions that truly meet a need
Session 4: Pivot & Persevere	Master the art of adapting your strategy--knowing when to pivot and when to persevere in building your venture ideas

Participants will be grouped cross-culturally and across disciplines, based on shared problem statement interests.

They are expected to commit to their team's success and resolve any differences constructively.

CURRICULUM (CONT):

	Details
Session 5: Value Proposition Canvas + Solution Testing + Minimum Viable Product	The Value Proposition Canvas is a tool which helps ensure that a product or service is positioned around what the customer values
Session 6: Pitch Deck	Build a pitch deck that highlights your Go-To-Market strategy and unit economics for investor confidence
Pitching & Presentation	Participants will present their solutions from their consolidated experience and learnings from GISC
Impact Startup Inspiration	Explore innovative solutions and gain inspiration from curated visits to startup ecosystem enablers like Action Community for Entrepreneurship

Experimentation and iteration are key features of the Lean Startup Methodology. Participants will be challenged to source for suitable interviewees-potential customers- to validate their business ideas.

Business-to-Customer (B2C) ideas are thus encouraged.
